UPCOMING EVENTS

As we kick off 2024 with a BANG, we have been hard at work planning events for this year and we want you to be apart of them! Last years Winter Recital was a huge hit as we received stellar complements from everyone on all of our Elite Students who participated and we are so proud of that.

We are planning 2 recitals this year! The first will be in early summer and the other will be late fall this year. Dates will be set soon and will let everyone know via email when we have it set so make sure you check your emails you get from us as they are filled with important information. :)

For those who would like to participate in the summer recital, there is a sign up sheet at the front desk. Make sure you sign up quickly so you can start preparing your next song.

We have other social functions we are going to be hosting this year. We will be hosting a Student Appreciation Night, Karaoke Night, and we are implementing a new program called "ROCK BAND" where our Elite Instructors and Elite Students who sign up for the program will get to practice with other musicians as they form a band and learn to play together. They will be featured in an upcoming rectal as well as other events that may happen this year!

Lot's more cool things are coming to the academy so stay tuned and let's have some fun!

The Musical Ladder System

One of the benefits of studying music at Maryville Music Academy is the exclusive use of the Musical Ladder System®. The Musical Ladder is a music teaching system being used by music schools all across the United States and Canada to inspire music students to practice more while enhancing their love for music. Maryville Music Academy is the only school in the city of Maryville, Blount County, and surrounding areas that uses this system!

The diagram illustrates the Musical Ladder System with two columns of wristbands. The left column shows the progression from Apprentice (3 months) to Prima (60 months). The right column shows the progression from Apprentice (3 months) to Prima (60 months). Below the wristbands, it states: "In addition to wristbands, students also receive trophies and certificates for certain milestones." To the right of the diagram, there is a call to action: "Ask your teacher about the Musical Ladder System®" and three images of trophies.

Level	Months
PRIMA	60 MONTHS
SUPERSTAR	54 MONTHS
CHAMPION	48 MONTHS
SUPERIOR	42 MONTHS
MASTER	36 MONTHS
MAESTRO	30 MONTHS
PRODIGY	24 MONTHS
VIVACE	18 MONTHS
ALLEGRO	15 MONTHS
ROCK STAR	12 MONTHS
MUSICIAN	9 MONTHS
SONG BIRD	6 MONTHS
APPRENTICE	3 MONTHS

Ask your teacher about the Musical Ladder System®

In addition to wristbands, students also receive trophies and certificates for certain milestones.

At Maryville Music Academy, the Musical Ladder System incorporates into our lessons flawlessly. As different milestones approach, the music teacher will let your child know what they should focus on and help them learn it. When your child is enrolled, you gain access to a portal through which you can communicate with their teacher. Once the test is scheduled, you'll be notified.
