# Upcoming Events

We have planned 2 recitals this year! The first will be our Songs of Summer Recital, **June 15, 2024** and the other will be our Autumn Melodies Recital, **November 9, 2024** this year.

We have already had a great amount of students signing up and working on their recital pieces for the Songs of Summer Recital!

For those who would like to participate in the summer recital, there is a sign up sheet at the front desk. There's still a few spots left before we officially cut off the sign up.

May 19, 2024 we will be having our annual photo day! Starts at 1:00 pm. The signup sheet is at the front desk and we have limited spots available so make sure you claim your spot as soon as possible before they are all gone!

We have other social functions we are going to be hosting this year. We will be hosting a **Student Appreciation Night, Karaoke Night**, and we are implementing a new program called "**ROCK BAND**" where our Elite Instructors and Elite Students who sign up for the program will get to practice with other musicians as they form a band and learn to play together. They will be featured in an upcoming recital as well as other events that may happen this year!

Lot's more cool things are coming to the academy so stay tuned and let's have some fun!

# The Musical Ladder System

One of the benefits of studying music at Maryville Music Academy is the exclusive use of the Musical Ladder System®. The Musical Ladder is a music teaching system being used by music schools all across the United States and Canada to inspire music students to practice more while enhancing their love for music. Maryville Music Academy is the only school in the city of Maryville, Blount County, and surrounding areas that uses this system!

In addition to wristbands, students also receive trophies and certificates for certain milestones.

**Ask your  
teacher about  
the Musical  
Ladder System®**

At Maryville Music Academy, the Musical Ladder System incorporates into our lessons flawlessly. As different milestones approach, the music teacher will let your child know what they should focus on and help them learn it. When your child is enrolled, you gain access to a portal through which you can communicate with their teacher. Once the test is scheduled, you'll be notified.
