THE MUSICAL LADDER SYSTEM

One of the benefits of studying music at Maryville Music Academy is the exclusive use of the Musical Ladder System®. The Musical Ladder is a music teaching system being used by music schools all across the United States and Canada to inspire music students to practice more while enhancing their love for music. Maryville Music Academy is the only school in the city of Maryville, Blount County, and surrounding areas that uses this system!

In addition to wristbands, students also receive trophies and certificates for certain milestones.

Ask your teacher about the Musical Ladder System®

At Maryville Music Academy, the Musical Ladder System incorporates into our lessons flawlessly. As different milestones approach, the music teacher will let your child know what they should focus on and help them learn it. When your child is enrolled, you gain access to a portal through which you can communicate with their teacher. Once the test is scheduled, you'll be notified.
